

Duplicate Bridge

Districts are encouraged to follow the technical information and guidelines found within this manual at all times. When changes are necessary at the District level, participants who qualify for Ontario 55+ Winter Games must be made aware that the following rules will be in use at Ontario 55+ Winter Games.

A) FORMAT OF PLAY – TWO PERSON TEAM

Division	Age Category	Number of Participants
Novice	55+	One pair
Open (ACBL Life Master 300-1500 points)	55+	One pair

Any persons not present at the scheduled commencement of play and throughout the competition are in default and are automatically disqualified from the competition. Competitors are obligated to complete the event regardless of their record in the competition. If a team defaults part way through the competition, the results of that team will be removed from the standings. The organizers shall have an extra team available to play as a “floater” team in case there is an uneven number of teams or in case a team defaults. This team’s results will not count in the final standings.

If there are any questions regarding rulings, the OSGA Winter Games Technical Manual will be considered correct.

Duplicate Bridge Rules Summary

1. Before you play, you and your partner need to fill out a convention card. A convention card is just that: a card that shows the conventions you use along with your general approach to bidding. At first sight, the card can be intimidating. Don't worry about filling it out in detail. You'll see that it already has common conventions such as Stayman and Blackwood used by many social players. Dozens of other conventions exist to describe various hands, and you'll discover some you enjoy using.
2. Duplicate bridge is a sport and sports have rules. The rules ensure that the game is fair for everyone. You're not expected to memorize the entire Laws of Duplicate Bridge. But don't hesitate to politely call the director to your table if you think a rule has been broken. Never be intimidated when the director is called because you may have broken a rule. Director rules are just another learning experience. A good director will present the ruling in a manner that doesn't embarrass or offend anyone. Accept rulings with grace
3. Bridge is as friendly as the players and it's important to be a good partner and opponent. Thank your partner when she puts down the dummy. Wish the opponents good luck before you start the game. Don't get upset about a bad result. Instead, start fresh with the next 13 cards. Successful partnerships will discuss difficult hands and situations where something went wrong after the session in private. Bridge is a game. Have fun!
