## Ontario 55+ Games CAPS Policy

In 2011 the former Sport Alliance Ontario (SAO) and the Ontario Senior Games Association (OSGA) agreed to create caps for all sports and divisions at the Games to ensure all participants will receive exceptional service with regards to accommodation, transportation, sport scheduling, food services, etc.

### Definition of Caps

- Number of participants that will be allowed entry on first come first serve basis, with each district sending one team or participant per a division or age category.

### Policy

1. CAPS will be set by the OSGA Rule Committee once all sports have been identified for the Ontario 55+ Summer or Winter Games. The CAPS will be identified by:
  - (a) Reviewing participant numbers from the previous Ontario 55+ Summer or Winter Games
  - (b) Reviewing participant numbers at most recent Regional Games
  - (c) Reviewing participant numbers from most recent District Games
2. District Coordinators will be receive cap numbers about 3 months before registration opens.
3. Participants that register after a CAP is reached will be placed on a waiting list. OSGA and Host Community will identify if the participants on the waiting list will be accepted into the Games.
4. CAPS for Non-Participants will be identified by the Host Community.
