
2017 CENTRAL REGION

HOSTED BY YORK REGION DISTRICT 14

May The odds be ever in your favour

District Co-ordinator

Attached you will find the registration form, a congratulation letter and list of the venues and addresses for each event.

Since all your participants have already signed the waiver at your district games they are not required to be signed again at the Regional Games.

We are inviting the gold, silver and bronze winners to the games. 18 hole golf will be capped at 72 players and 9 hole at 36 players therefore those events are open until the cap is reached. Miniature golf is offered as a fun event to extend time of play for the 5 pin bowlers, prediction walkers/Nordic and 8 ball pool players if they wish to play at an extra \$7. Awards will be awarded for each event they participate in.

The closing for you to register will be July 21, 2017 at noon. The online registration and summary is not ready yet but will be sent to you once is available.

Any questions please e-mail Charlotte Widdifield at widdifield@rogers.com or Angie Richard at arichard0190@rogers.com.

We will also have three hotels we can recommend for your participants if they wish to stay before or after the games. We will also send you the information once it is finalized.

We are looking forward to seeing everyone at the Central Regional Games.

Regards,

Angie Richard

Games Chair
