

Dear OSGA community,

We want to ensure you that the OSGA Board of Directors has been following the current COVID-19 outbreak and government recommendations closely over the past few weeks. We recognize that our membership is comprised of one of the most vulnerable populations in Canada and therefore encourage you to adhere to the advice and guidelines given by the Federal and Provincial governments. At this time the OSGA has decided to err on the side of caution and cancel all OSGA sanctioned events for the next 6 weeks, ending April 30, 2020. As you have seen this is an incredibly fluid situation and we want you to know your health and safety is our number one priority. We will continue to keep a vigilant eye on the progress of the situation and keep you updated on future OSGA events. It is an important time to come together as a community and take care of one another as social distancing can become a very isolating issue. We hope our OSGA family will continue to reach out to one another through telephone and email to check in on friends, family and acquaintances during these uncertain times. We are looking forward to getting our community back together and enjoying the spirit of the Games in the near future.

Take care and stay healthy,

Your OSGA Board of Directors and staff
