Canada 55+ Games

Congratulations to Sheran Barker!

Sheran was reappointed to the Canada 55+ Games Board of Directors as the representative for team Ontario for the next two year term.

We would like to extend our gratitude to Sheran for all of her hard work on the Canada Games portfolio, especially during this difficult year.

The decision about the qualification perimeters and first right of refusal for attendance for the 2022 Canada 55+ Games will not be made at this time. The situation is very fluid and it is difficult to predict what the situation will be like when the time comes. The Board of Directors will make decisions when they are required and will continue to communicate these decisions with you, our participants.

Thank you for your patience and support during this time.

Virtual Events

As COVID-19 continues to interrupt our Games we are exploring options to keep you engaged and active both mentally and physically. Please contact the office if you have any ideas you would like us to explore to bring programming back to you.

Would you like the OSGA to host virtual events during COVID-19?

Yes

Reminiscing

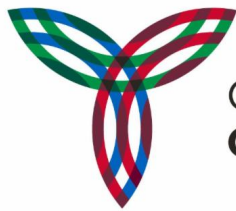

Head over to our Facebook page

Take a look through our photo albums and reminisce on the memories you have from our past events. Don't see yourself on our Facebook, but have some awesome photos?

Share them!

Send them to the office and I will share them on our Facebook page.
