## Airfare suggestion:

We hope that most of you have been able to sort out the unfortunate situation of dealing with your airfare for the cancelled Canada 55+ Games. We would like to share some information for those of you who may still be dealing with this situation and let you know that some participants have been successful in following up with their credit card fraud department for **services not rendered**. We have been advised by a specific bank that you have 120 days from the date of departure to explore this option.

## With the COVID-19 numbers on the rise,

The OSGA would like to remind our valued community to stay safe and healthy. We hope to see you all again as soon as we are through this and we can't wait to see the spirit of the Games through each of you in the future. Keep physically and mentally as active as you can while respecting COVID guidelines. Your health and wellness is important to us!
