

Districts Policy

Rationale

The OSGA 55+ (Ontario Senior Games Association) strives to promote an active living lifestyle for older adults (55+) in Ontario. The desire is to meet the ever-changing needs of our membership, in which the OSGA 55+ programs are designed to offer events and activities to enhance participation at all levels. It is the view of the OSGA that older adults will become involved when friendly levels of competition are maintained.

Participant Eligibility

1. To be eligible to participate in OSGA 55+ events you must be a resident of Ontario, a current member of the organization (April 1st to March 31st) and must be of age (55+, 65+, 75+, etc.) or older by midnight December 31st in the year of competition.
2. Participants must limit their competition to one District (based on their residency called their “Home District”) for each set of Games (summer or winter) with the exception is participants may register in a District that borders your “Home District” to play with a partner/team and/or event(s) availability. Districts accepting participants from outside their District must confirm with the participants “Home District” they are eligible.
3. Participants may only represent the District in which they participated in and qualified for to compete at the Regional and/or Ontario 55+ Games with priority to be given to the winners of your District Games in order of how they finish based on their desire to move on to the next level.
4. Participants may enter more than one event/category at the District level at the discretion of the District Committee.
5. Participants may only enter one event/category at the Regional and/or Ontario 55+ Games.

Logo

1. The OSGA 55+ approved logo must be used on all materials affiliated with OSGA 55+ operations (District, Regional, Ontario 55+ Games, etc.) – written approval for all logo use must be received from the OSGA 55+ office before printing or electronic production to ensure brand and design consistency.

District Committee Responsibilities

1. District Membership Agreements – must be signed annually (January 1st to December 31st) to remain in “good standing” as a Member District (reference to Bylaws – Article II: Membership and as outlined within this policy)
