

Pickleball

Districts are encouraged to follow the technical information and guidelines found within this manual at all times. When changes are necessary at the District level, participants who qualify for Ontario 55+ Summer Games must be made aware that the following rules will be in use at Ontario 55+ Summer Games.

A) FORMAT OF PLAY – DOUBLES

DIVISION	AGE CATEGORY	NUMBER OF PARTICIPANTS
Men	55+ 65+	Two (2) per age group
Women	55+ 65+	Two (2) per age group
Mixed	55+ 65+	Two (2) per age group

Any persons not present at the scheduled commencement of play and throughout the competition are in default and are automatically disqualified from the competition. If there are extenuating circumstances, exceptions to this may be granted by the Event Convenor.

Competitors are expected to complete competition regardless of their record in competition. If a team defaults part way through the competition, the results of that team will be removed from the standings. The organizers shall have an extra team available to play as a “floater” team in case there is an uneven number of teams or in case a team defaults. This team’s results will not count in the final standings.

If there are any questions about rulings, the OSGA Summer Games Technical Manual will be considered correct.

I) PICKLEBALL RULES SUMMARY

1. A medical examination two months prior to the event is strongly recommended.

BASIC RULES:

Serve:

1. At the start of the game, the 1st serving team is allowed only one fault before giving up the ball to the opponents. Thereafter both members of each team will serve and fault before the ball is turned over to the opposing team.
2. Serves must be underhand and bounce on the serve is permitted.
3. The paddle must pass below the waist. A legal serve must be below the waist, with the top of the paddle head below the wrist.
4. Both feet have to be behind the baseline during the serve.
5. The serve is made diagonally cross court and must clear the non-volley zone.
6. Only one serve attempt is allowed. There is no net serve, no reserve is allowed.
7. Double bounce rule: Each team must play their first shot off the bounce. After the ball has bounced once on each side, then both teams can either volley the ball in the air or play it off the bounce. The ball **MUST** bounce once on each side before volleying the ball in the air otherwise it is a fault.
8. If the serve hits any line except the non-volley line (or kitchen) the ball is considered in play.
9. After a point is earned, the player will move to the opposite serving square.
10. The player on the right side always serves first and then it goes in a clockwise rotation.

Scoring:

1. Games are normally played to 11 (win by two).
2. A team shall score points only when serving.
3. If the opposing player or team makes a winning shot then it is either considered a side-out or the next persons serve. There are no points awarded.

Play:

1. If a player volleys a ball in the air without letting it bounce, their momentum cannot carry them into the **NON-VOLLEY ZONE** or it is considered a fault.
