Districts are encouraged to follow the technical information and guidelines found within this manual at all times. When changes are necessary at the District level, participants who qualify for Ontario 55+ Summer Games must be made aware that the following rules will be in use at Ontario 55+ Summer Games.

G) EVENT REQUIREMENTS

Equipment

1. Equipment is anything used, worn, or carried by or for the player, including a motorized golf cart.
2. Electronic devices may be used, but use is restricted to determining distance to the pin only.

H) OFFICIALS

The OSGA requires, at minimum, the following officials for Ontario 55+ Summer Games.

For District Games, the following are only a suggestion. Participation numbers and availability of volunteers may result in fewer officials being required. Districts are encouraged to try to have the necessary officials to run the event successfully.

- One (1) Activity Convenor
- Two (2) Scorekeepers
- One (1) Floater out on course

The host committee will ensure that all major officials have the required qualifications as specified by the OSGA at least one (1) year prior to Ontario 55+ Summer Games. The host committee is also responsible for any other officials needed to host this event.

I) GOLF RULES SUMMARY

1. Adherence to all club rules.
2. **Modified Callaway** will allow no more than double par on any hole. Once scorecards are handed in, the scorekeepers will subtract one (1) hidden, predetermined, secret hole from each scorecard. The winners (gold, silver, and bronze) will be the ones with the lowest score once the hidden hole is subtracted. Results are determined after Day 1 of the competition.
3. **Low Gross** event will be played on the second day of the competition. The participants from Day 1 will be regrouped in the following age divisions – 55+, 60+, 65+, 70+, 75+, 80+. A participant may play down an age division should they choose to but must let the Golf Convener know of this change prior to the start of the second day's competition.
4. If there is a tie, then retrogression will be used. Retrogression will start at the 18th hole backward. The person who has the first score that is lower than the others is determined the winner. This will apply to potential medalists only.
5. No hole may be scored at more than twice its par in the Modified Callaway event. For example, if the 5th hole is a par 4 and the player takes 9 shots/strokes, the maximum allowed for the 5th hole is twice its par or 8.
6. Men 70+ may tee off from the forward tees if they choose.
