

## Free Online Advertising

In your search for participants, there is nothing better than free advertising!

Did you know that many local radio stations have online methods that can help you advertise your events.

Look for stations that offer a Calendar of Events section on their web pages. All you have to do is fill out an online form and after review, the station will post it for you.

Also, many local Cable Television companies have a free channel that features a televised Calendar of Events and you can access online and post your event. This is also free!

Halton District #21 is pleased and proud to introduce our committee for 2023. Peter, Nigel, Jackmen, Val, Paul, Petra, Nicola, Sadie-Anne, Nancy, Stephanie, Lorrette.

Missing from the picture, but working very hard are Kristin, Tina, and Wayne. One of our generous sponsors, Chartwell Lakeshore provided our committee with a board room for our meeting, some swag, and a delicious lunch. Thank you. We have already confirmed dates and venues for ten Summer Games and hope to offer 5 more.

Below is D21's Schedule of Games (so far). So start marking your calendar. Notice that there are two Games that are not official OSGA games. We are offering them because we like to play them.

## OSGA volunteers

The OSGA is always looking for more volunteers. There are different ways that you can get involved:

[\*\*Board of Directors\*\*](#)

[\*\*Committees\*\*](#)

[\*\*Districts\*\*](#)

It is the time of year again where the OSGA starts looking for interested and qualified individuals to join our Board of Directors. The AGM is in September and most positions stand for a two year term.

If you have a skillset that could be of use to the OSGA, but do not have the time to serve as a Board Member, we urge you to consider joining one of our committees so we can continue to grow and move forward.

Our District's have their own committees that work to put on the local Games that you all know and play in. The Districts cannot operate with one person, so building a group to share the workload is imperative.

*Please e-mail the office if you have any questions or would like to be connected with someone to talk to about your future volunteer opportunities. [info@osga55plus.ca](mailto:info@osga55plus.ca)*
