Welcome!

We would love to introduce Daria our new President and Jordana our new Office Administrator!

I am incredibly excited to officially begin my first term as President of the Ontario Senior Games Association, replacing the leadership of our amazing outgoing President, Ellen Paterson.

Hello everyone! I am so excited to be joining the OSGA as the new Office Administrator and working alongside our amazing Board of Directors and Volunteers!

Over the past 3 years I worked for an

I've worked with Ellen since I joined the board in September 2018. Since that time, I connected with other organizations in the 55+ community to build relationships, collaborate on events and create awareness and understanding for OSGA 55+.

As incoming President, my goal is to promote OSGA, while continuing to strengthen the programming and event guidelines.

Assisting me in achieving this goal is a board powered 100% by volunteer OSGA members. Each one has a specific area of focus, and each brings a diversity of thought, talent, and passion to the board.

insurance company where I led our social committee and was also our team lead for training new hires. I enjoy getting involved in different areas and learning as much as I can!

I graduated from Georgian College with a degree in Business Administration and Management. During my time at Georgian College I sat on our student council as President and helped plan all social events for our campus.

I look forward to my journey with OSGA and if you have any question you can contact me at jordana@osga55plus.ca

Thanks Pachi for coming out to the Summer 2022 Games!

A special thank you and congratulations goes out to each district who participated in events, Peterborough 2022, and the Canada 55+ Games!

OSGA volunteers

The OSGA is always looking for more volunteers. There are different ways that you can get involved:

Board of Directors

It is the time of year again where the OSGA starts looking for interested and qualified individuals to join our Board of Directors. We still have a one - year term Director position available.

Committees

If you have a skillset that could be of use to the OSGA, but do not have the time to serve as a Board Member, we urge you to consider joining one of our committees so we can continue to grow and move forward.

Districts

Our District's have their own committees that work to put on the local Games that you all know and play in. The Districts cannot operate with one person, so building a group to share the workload is imperative.

Please e-mail the office if you have any questions or would like to be connected with someone to talk to about your future volunteer opportunities. info@osga55plus.ca
