Districts are encouraged to follow the technical information and guidelines found within this manual at all times. When changes are necessary at the District level, participants who qualify for Ontario 55+ Winter Games must be made aware that the following rules will be in use at Ontario 55+ Winter Games.

A) FORMAT OF PLAY – DOUBLES

Division	Age Category	Number
Women	55+, 65+	Two (2) per age group
Men	55+, 65+	Two (2) per age group
Mixed	55+, 65+	Two (2) per age group
Participants may compete in only one division at Ontario 55+ Winter Games.		

Any person not present at the scheduled commencement of play and throughout the competition is in default and is automatically disqualified from the competition. **If there are extenuating circumstances, exceptions to this may be granted by the Event Convenor.**

Competitors are obligated to complete the competition regardless of their record. If a competitor defaults part way through the competition, the results of that competitor will be removed from the standings. The organizers should have an extra team available to play as a “floater” team in case there is an uneven number of teams or in case a team defaults.

This “floater” team’s results will not count in the final standings.

If there are any questions regarding rulings, the OSGA Winter Games Technical Manual will be considered correct.

B) ELIGIBILITY

5. If possible, playoffs will consist of a Medal Round and a Consolation Round. The split will be determined by the number of teams participating. No more than 8 teams will qualify for the Medal Rounds.

Determining the Winners
