For Alzheimer Awareness Month, ServiceOntario is reaching out to organizations serving seniors to build awareness of the Ontario Photo Card

The OPC is an important resource for patients facing a new diagnosis of dementia, or other medical conditions that impact their ability to drive. It can also be an appropriate alternative form of ID for many Ontarians who may not have access to a driver's license, such as people with disabilities, urban youth, new immigrants, and more.

The OPC is a form of government-issued photo identification that can be used to support important transactions in Ontarians' daily lives, such as banking and financial transactions, access to community programs, and domestic travel. It's easy to apply for an OPC through ServiceOntario if you're sixteen years or older and don't have a driver's license.

Printable fact sheets with essential information about the OPC are available in [English](#) and [French](#)

For more information, please visit Ontario.ca/PhotoCard.

OSGA VOLUNTEERS

We are still looking for Committee members!

The OSGA is always looking for more volunteers. There are different ways that you can get involved:

Board of Directors

It is the time of year again where the OSGA starts looking for interested and qualified individuals to join our Board of Directors. The AGM is in September and most positions stand for a two year term.

1-4 Hours a month time commitment- meetings held Virtually

Committees

If you have a skillset that could be of use to the OSGA, but do not have the time to serve as a Board Member, we urge you to consider joining one of our committees so we can continue to grow and move forward.

Marketing, Technology, Revitalization, Rules & Events.
1-2 hours a month time commitment- Meetings held virtually

Districts

Our District's have their own committees that work to put on the local Games that you all know and play in. The Districts cannot operate with one person, so building a group to share the workload is imperative.
